

2017 EAGLE'S NEST PROM PROTOCOL

It is our desire to provide a safe and enjoyable PROM evening. Attendees must complete this form before the deadline and submit with your reservation for Prom. Prom reservations are sold to Juniors/Seniors who are members of Eagle's Nest, aged 18 to 14. You may bring a guest(s) but are responsible for your guest(s).

Code of Conduct:

We want to leave a good impression of Eagles Nest as Christians and as homeschoolers. Please be on your best behavior for the night. Improprieties, such as drinking any alcoholic beverages (before or during), smoking (any type), cursing, being disrespectful to others, open and blatant public displays of affection, and any type of substance abuse, are not allowed.

No one is to leave the designated prom area. Please understand, if you leave the designated prom area, you have left the prom, and will not be allowed to return. For your safety, you are not to be anywhere at Prom unchaperoned, alone with your guest(s), at any time. If a chaperon observes any behavior that would reflect poorly or discredit Eagles Nest, you and your guest(s) will be asked to leave for the evening, and your parent(s) will be notified. If you are an underclassman (Junior or below), you may lose the opportunity to attend future proms with Eagles Nest.

Music and Dancing: Please be aware that music played at the Prom, or other dances, may not be Christian music. Most will be dance music, played on the radio, (secular) that the attendees request and can dance to. However, adult leadership will review the lyrics to minimize the songs with any offensive language. Attendees are asked to refrain from too close body contact, or provocative dancing. The music may be changed to avoid situations, or chaperons may ask individuals, and their guest(s), to leave the dance floor or the Prom.

The chaperons have the right to determine any other issues.

Attire for the evening:

Gentlemen – Formal: Tuxedo or formal suit with tie or bow-tie, dress shirt, dress pants, dress jacket, dress socks and dress shoes.

Ladies – Formal: Floor length dresses are preferred for Prom, but not required. The shortest part of the hem should be no shorter than 3 inches above the knee.

We want you to have the dress you love; however we also want it to be modest. Here are a few details to help. Please understand that your dress can be altered to accommodate the dress code.

1. No strapless dresses- If your dress is strapless, please add straps that support the gown.
2. Dresses with a sweetheart bodice, a deep plunging neckline, very low backs, bare midriffs, or "Cutouts" along the body, from the bra line down to 3 inches above the knee, with or without nude/transparent fabric inserts, are not appropriate for Eagle's Nest Prom. Please plan to add opaque, matching fabric that is not skin-colored, or stitch the areas closed, so that your gorgeous dress complies with dress code. We would love to see you wear it! Many of the prom styles today do have open areas of skin exposed or utilize a flesh-colored fabric to give an illusion of skin beneath a layer of lace or beadwork. Please

understand, those are not acceptable. (example: black lace over nude colored material, for example, is lovely but not appropriate for Eagle's Nest Prom)

3. "Illusion" style – dresses that give the illusion of skin are not in keeping with a modestly dressed young woman and therefore are not appropriate for Eagles Nest Prom. If a student comes to prom in a dress with these "illusion" panels or design, please understand they will be expected to return home to change into something else. Creative pinning, or a coat, could be required for the entirety of the prom, if they do not go home, or are unable to go home to change into something more appropriate. We do not wish to be clothing police on the night of prom, so students have the option to have the dress pre-approved, through texted pictures, to Vickie Lummus 678-249-8170. We believe this is a wise decision. Also be aware if a student is sent home to change into a more appropriate dress, and they do not choose to return to prom, or do not have something more appropriate to change into, no refunds will be given for the price of the ticket.
4. Keyholes – in the back, located above the bottom of the armpit, are okay; keyholes in the front are only acceptable if no cleavage is visible. Stitch closed if necessary.
5. Sheer fabric below the 3 inches above the knee mandatory hemline is acceptable, revealing nothing more than what a short dress, 3 inches above the knee would.
6. Halter dresses are acceptable as long as the lowest part in back does not fall below the bra-line or below the armpit. It may be possible to tighten the neckline to bring up the dress to comply with dress code. Check with a seamstress.
7. One shoulder dresses with a one inch or wider strap are acceptable.
8. If there is a question, please submit a picture to senior team prior to purchase. PLEASE DO NOT BUY WITHOUT PRE-APPROVAL, as some stores have a no-return, all sales final, policy. It would be terrible to buy a dress that does not get approved. Text to Vicki Lummus 678-249-8170 for clarification and she will make every effort to respond very quickly. She does work in the evenings many days so there may be a short delay getting back to you but it will be as soon as possible, and certainly within a 24 hour period at the latest hopefully. This will also prevent two girls buying the same dress, as she will make you aware if someone else already submitted "your" dress :-)

Emergency:

We need emergency contact information for each student attending the Prom. We need to reach you ANY TIME during the evening in case of an emergency. Please include your home phone and cell phone numbers on the form below.

Please note that Prom hours are 6-11PM. The Prom is officially over at 11PM.

We understand that by the parent(s) allowing your student to attend Prom, your student is licensed to drive, OR will be transported by a parent approved transportation provider such as your student's escort, a pre-approved parent, or a limousine service. If the hours of Prom do not allow time for your underage driver to get home and make curfew, you as a parent must make arrangements for pick-up, or transportation to and from the Prom. Eagle's Nest will not be held liable for any transportation issues OR breaking curfew by underage drivers.

Any Post-Prom activities that are offered by attendees or parents are not the responsibility of Eagle's Nest and Eagle's Nest is not responsible for students attending these activities.

**2017 EAGLE'S NEST Junior/Senior PROM is being held at
Whitewater Country Club**

175 Birkdale Dr

Fayetteville, GA 30215
